ABOUT THE COLLEGE

A Dream Come True

The establishment of Somaiya Vidyavihar was the fulfillment of the dream of Late Padmbhushan Pujya Shree Karamshibhai Jethabhai Somaiya - an industrialist of distinction and a great visionary. The foundation stone of K. J. Somaiya college of Arts and science was laid under the auspices of the Somaiya Vidyavihar Trust in 1960. It was the beginning of many educational institutions growing on the vast campus of Somaiya Vidyavihar. K. J. Somaiya College of Science emerged as an independent institution in 1972. The Commerce faculty was added in 1986 and the college was rechristened K. J. Somaiya College of Science and Commerce. Presently 34 institutions of Somaiya Vidyavihar enroll about 39,000 students and have more than 1,500 faculty members, who impart value based quality education.

Accreditation

The College has grown in leaps and bounds in terms of student strength, courses and subjects offered facilities etc. The College had an opportunity to endorse its standard and class through the National Assessment and Accreditation council, an autonomous institution of University Grants Commission, in 2004. The college received 'A' grade in the assessment. The college has been reaccredited with NAAC 'A' grade in the years 2010 and 2015.

Vision Statement

Equip the student with knowledge and skills of their chosen vocation, inculcate values, provide them opportunities for all-round growth and prepare them for life.

Vision of the founder

- Service to mankind.
- Understand and respond to the needs of modern Science and Technology Provide a sound spiritual foundation to march into the future.
- Provide opportunities for all-round development of individuals.

Mission

- To equip the students with knowledge and skills in their chosen vocation.
- To provide value-based education and opportunities to students to help them to face challenges in life.
- To nurture a scientific attitude, temperament and culture among the students.
- To continually review, develop and renew the approach to build India of the Founder's dream.

Goals and Objectives

- To build a strong Academia-Industry bridge.
- To provide flexibility in the courses and proactively adapt to the changing needs of students and the society.
- To establish a center for multi-disciplinary activities.
- To mould individuals who would nurture the cultural heritage of our country and contribute to the betterment of the society.

A TRIBUTE TO SHRI. S. K. SOMAIYA

-: Our Inspiration :-

The Great Visionary and Transformational leader,

(Late) Dr. Shantilal K. Somaiya

29-12-1927 to 01-01-2010

A leading Industrialist & Businessman received various awards including prestigious 'Luminosa' & 'Sanskrit Mitra' titles. Strongly upheld the peaceful co-existence of religions and travelled extensively across the globe to spread the message of Indian Culture & Philosophy. Also made remarkable contribution to Education & upliftment of 'Adivasis'

Our Inspirer
Honorable President
Shri Samir S. Somaiya

Our founder, Padmabhushan Shri K. J. Somaiya founded Somaiya Vidyavihar on the 9th of September 1959. He later founded the Girivanvasi Pragati Mandal. The K. J. Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the worlds. In the words of Swami Vivekanand, "We want that education by which character is formed, strength of mind is increased, the intellect expanded, and by which one can stand on one's own feet." We have now grown into a multi-disciplinary and multi campus education institution with over 1500 faculty and 38000 students.

Our motto is ज्ञानदेव तु कैवल्यम्. Knowledge alone liberates. Liberates from poverty, from hunger. Knowledge liberates one from the attachment that bind us to small mindedness and also provides the opportunity to make life more meaningful. In the service of one's family, one's community, one's समाज, country and indeed the world. Bearing in mind that there is no religion other than the life lived in the service of humanity, नमानुषात परो धर्म : We will strive to provide access and opportunity to build a more inclusive society.

Our education in any subject will reflect its timeless fundamentals, its current context and applications. There is so much scientific discovery taking place, at the intersection of fields of biology, computing, medicine, the social sciences and everywhere else. We will provide students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge. Our education will also be experiential. With projects that are 'real' and those that complement the learning inside the classroom. Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any fields of their passion.

Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork and for competition. Our education will also instill an appreciation for art and culture. In the Bhagwad Gita, Arjun asks Krishna how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. वैराग्येन तु कौन्तेय अभ्यासेन च गृहते. We will strive to teach our students to learn to stay calm in our turbulent world. And our education will also include the ancient Indian tradition, its culture, its depth and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are storehouses of culture, and the loss of a language takes with it much learning, stored through it over the ages. Finally, our education will help students lead a full life, to fall in love with life.

Our dream is to build a world class research and teaching institution, that is global in the reach of its ideas and universal in its service. Welcome to our community.

Word from the Principal

A warm welcome to you.

Somaiya Vidyavihar encompasses 34 institutions with more than 39000 students and 1500 faculties.

Value education is the foundation of modern education and is unique feature of Somaiya Vidyavihar institutions.

K.J. Somaiya College of Science and Commerce is one of the institutions of Somaiya Vidyavihar. The college runs various undergraduate, postgraduate and Ph.D. programs.

College acquired a vibrant atmosphere due to co-curricular and extension activities. The Girls' NCC Unit has brought laurels in the form of the Vice-Chancellor's banner for three years. The NSS Unit has built a strong bond through community service in areas of health, crises preparedness, gender sensitization and building of life-skills, environmental enrichment and conservation.

Sharing of resources and innovative practices with the sister institutions has created a synergistic relationship and imparted impetus for further growth.

Globalisation demands a new dimension to our approach to education. We at our college have recognized the need for a globally relevant education.

We believe that each and every student has a gift to share and we work hard to unlock their highest potential. We aim to create a safe, nurturing yet challenging environment that is built on values, culture and positive relationships which will lead to emotional, social and academic development of the student.

As A. P. J. Abdul Kalam said, "Never stop fighting until you arrive your destined place that is unique you. Have an aim in life, continuously acquire knowledge, work hard and have perseverance to realise great life".

I wish you all wonderful years ahead.

Dr. Pradnya Prabhu
Principal

EXTRA AND CO-CURRICULAR ACTIVITIES

Cultural Forum

Cultural Committee The cultural committee organised events that brought together fun, knowledge, creativity, innovation and freshness all at once. It threw light on the best talents in college. Tarang, the cultural fest of the college, was inaugurated on Teachers' Day by our Principal against the backdrop of interesting speeches, songs and dances. The annual Tarang week started from 8th December 2018 and concluded on 22nd December 2018. Poster Making, Paper Craft, Singing, Mehendi, Best Out Of Waste, Painting Without Brushes And Dance Competition were few of the many events conducted as a part of Tarang. The pinnacle of the Tarang fest was our Annual Day that fell on 22nd December, 2018. It started off with our campus prayer and was followed by the felicitation of our winners. While the winners of the singing and dance competitions were given opportunities to perform, the surprise of the day was the Ethnic Show by the members of the Tarang teachers and volunteer committee. The annual day came to a close with our National Anthem. Tarang concluded with the prize distribution ceremony that was held on the 24th December 2018. The constant hard work and discipline of the committee made the festival an ultimate success

IESO OLYMPIAD ENTRANCE TEST IN GEOLOGY

The Olympiad Entrance Test in Geology called IESO (International Earth Science Olympiad) conducted by GSI (Geological Society of India) in third weekend of January and students from various schools, colleges from the different suburbs appear for the exam and work hard for being qualified in the final round. Students from class IX to XII can enroll with the age wise selection criteria decided by GSI.

CONVENOR & CO-ORDINATOR: MRS. DEEPA GANATRA

OLYMPIAD in various subjects will be conducted on 17th November 2019

Mock CET/CPT:

A Mock CET for HSC science students and Mock CPT for HSC commerce students are held twice in the Academic year as per the Govt. of Maharashtra pattern for the benefit of S.Y.J.C. students.

Nature club

The nature club of K J Somaiya College of Science And Commerce organises a field trip to interesting places in Maharashtra. Students accompanied by teachers, are a part of this trip. Starting early morning by government buses, the group reaches the destination all the while conquering the obstacles posed by the foggy and rainy weather. After an extremely enjoyable experience, the team leaves for the city in the evening and reaches back to college with an unforgettable experience.

Student Magazine:

The college publishes its annual magazine “Sanskriti” to encourage the writing skills of student and staff. The Magazine has sections in English, Hindi, Marathi, Gujarati and Sanskrit. Achievements of students and staff are mirrored in the magazine.

Students Wall-paper Campus Newsletter

“Voice” is a weekly campus newsletter published every Monday. Events and achievements on the Campus are highlighted in addition to other news and articles written by students and staff.

Intensive Coaching for XII Standard Students – Eklavya Batch

Students enroll for the Eklavya batch with great enthusiasm. Much as the word ‘Eklavya’ indicates, this batch consisted of exceptionally bright students who may not from very strong financial backgrounds but with strong desire to score good marks. Concept clarification and doubt clearance pertaining to various subjects are the main areas of focus for this batch.

Parent-Teacher Association

Parents are encouraged to meet the teacher-members of the associations with their valuable suggestions and to discuss their ward’s academic progress, co-curricular and extra-curricular participation and career prospects.

Innovative lecture Series

The Innovative Lectures were started with the objective of introducing digital and experimental teaching into the mainstream teaching process.

They bring out the hidden talents of our teachers and also create curiosity and awareness among the students. They urged both teachers and students to delve deeper into the concepts, thus making the lectures highly interactive.

These lectures are conducted in two sessions – before the Diwali vacations and after the Diwali vacations.

All the innovative lectures conducted by our teachers are closely observed and rated by our Vice Principal and Supervisor.

The feedback from students is very encouraging.

Best Student Award

In each academic year, “Best Student of the Year” is awarded to the student after scrutiny and selection. The student is selected on the basis of his/ her academic achievements along with their talent in sports, co-curricular and extra- curricular activities, voluntary services in social platform.

The finalist students are further forwarded for the prestigious SVV Awards.

Inter College Competitions

On the basis of talent, the students are encouraged and motivated to participate in various arts and culture events and fests.

In sports too, the students are endorsed and promoted to represent the college and the winners are highly appreciated by the college.
